Freedom to Ride Means Year-Round Coverage AND Savings

Whether you're bending through hills of fall foliage or cruising on a sunny winter day, your love of biking isn't confined to the seasons. So your coverage shouldn't be either.

That's why Progressive is making it easier than ever to keep your coverage active all year with our Freedom to Ride approach to motorcycle insurance. We determine your premium by understanding how much you ride, not when you ride. Then we spread your rate across your full policy period. So keeping your policy active for the whole year doesn't mean that you're paying for your bike to sit in the garage. It means that you enjoy the benefits of uninterrupted, all-seasons coverage.

With Freedom to Ride, you get:

- › **Year-Round Coverage**
If your bike is damaged or stolen while in storage, don't worry! You're covered whether you're out on the road OR your bike is stored for the season.
- › **Claim-Free Renewal Discount**
At renewal, you'll get a discount on your rate if no at-fault claims were filed during the previous policy period.
- › **Small Claims Forgiveness**
At your renewal, we'll waive all claims where Progressive's total payout was \$500 or less.

Freedom to Ride Means Freedom from Worry

Freedom to Ride, only from Progressive, liberates you from the hassles of a typical claims experience. If you're in an accident, you can count on us to handle everything—from roadside assistance to repairs.

- › **Ready and Waiting**
We're here for you when you need us with claims support 24 hours a day, 7 days a week. Call 1-800-274-4499 or go to progressiveagent.com.
- › **Expert Advice**
Our claims specialists receive intensive motorcycle training.
- › **Personal Attention**
A claims specialist is assigned to manage your claim from start to finish.
